

Manslaughter Charge Sequel To Fatality

Fatal injuries were received by Harry Williams, well known Aldergrove blacksmith, in a spectacular automobile collision on the Trans-Canada highway, just west of Clearbrook road, at 10:30 p.m. Friday. Mr. Williams succumbed in M.S.A. hospital, Abbotsford, Sunday, at 7:20 p.m. Mrs. Williams, a passenger in her husband's car, is also a patient in the hospital, suffering from lacerations about the head and legs and severe shock.

CHARGE LAID

A charge of manslaughter has been laid against James McDonald, Marshall road, Matsqui, driver of the other car. McDonald escaped injury, as did his passenger, Miss Nicholas of Clayburn. The latter was rushed to hospital by a passing motorist but was found to have sustained only a twisted ankle.

The accident occurred when McDonald, police allege, turned out to pass ahead of an eastbound freight truck and met the westbound Williams car head-on. Both cars rolled into the broad, shallow ditch on the north side of the highway. The Williams' coupe apparently turned over several times and was badly damaged. The sedan driven by McDonald is owned by Jas. Bury, Abbotsford. Glass from car windows was spread for more than 100 feet along the pavement.

HEARINGS ADJOURNED

An inquest held Monday at the Henderson Funeral Home, Abbotsford, and conducted by Dr. E. J. Eacrett, Mission coroner, was adjourned after medical evidence had been heard from Dr. H. Cannon.

When McDonald appeared in the Matsqui police court Monday, he was remanded by Eric T. Weir, J.P., who presided in the absence of G. H. Loach, J.P., until Oct. 4. Provincial police laid a second charge, driving without a driver's license, against McDonald, and a third charge is reported pending. McDonald has been in custody in Abbotsford since his arrest.

POLICE DELAYED

Police rushing to the scene of the accident were delayed about 10 minutes by a B.C.E.R. freight train leisurely shunting cars over the only highway crossing in Abbotsford—in spite of repeated sounding of the police siren, it was reported at the inquest.

ELECT LEADER

R. L. ("Pat") Maitland, K.C., M.L.A., was elected leader of the Conservative party in B.C. at the convention held last week-end at Kamloops, when he defeated Herbert Anscomb, M.L.A., Victoria, 269 votes to 253.

SUMAS BABY CLINIC

Arrangements have been made, it is announced by Dr. J. A. Taylor, M.H.O., to hold a Baby Clinic in Whatcom road hall on Wednesday, Oct. 5, at 2 p.m. Twenty babies were brought to the Abbotsford clinic last Wednesday.

FIFTY-CENT TOLL

Fifty cents was the toll charged on large new traffic bridges in the San Francisco area, Mr. E. B. McPhail reports following his return from a motor trip with Mrs. McPhail to California. Between the extremes of heat and cold encountered during their southern vacation, Mr. McPhail was glad to return to sunny Central Fraser Valley.

PLOWING MATCH

A meeting of the M.S.A. Plowing Association held Saturday night tentatively set November 4 as the date for the annual match.

BLUE LICENSE FOR FAST DRIVING WITHOUT LIGHTS

While the newly surfaced stretch of the Abbotsford-Mission highway between Abbotsford and Clayburn has become a popular speedway, a Vancouver motorist overdid the act last week. He was hailed into the Matsqui police court Friday by Provincial Constable Parker and charged under the new section of the Criminal Code with reckless driving—speeding at 55 miles an hour after dark without benefit of lights. The motorist, Bill Wosk, was fined \$10 and costs and had his driver's license replaced with a blue one.

Baby daughter of Principal E. W. and Mrs. Burton is seriously ill at the M.S.A. hospital.

Miss Naomi McPhee is ill at home

DOMINION IS IN FULL ACCORD WITH THE BRITISH STAND

Rt. Hon. W. L. Mackenzie King, Canadian Prime Minister, announced Tuesday the government endorsement of Prime Minister Neville Chamberlain's summation from London of the crisis after a four-hour cabinet meeting during which Chamberlain's speech was heard.

In a statement taken to mean that Canada agrees fully with the British stand, Mr. King said the Dominion is geared for "any contingency."

He appealed to the nation for united action so that "controversies and divisions which might seriously impair effective and concerted action" may be avoided.

Young Mother Fatally Hurt On Highway

Mrs. Murphy Fox, 23, mother of two children, died in the Chilliwack hospital after being struck by an automobile allegedly driven by Hugh Hollie, who has been charged with manslaughter. Mrs. Fox was pushing a baby carriage along the road while returning to her home Monday from a visit with her mother when the accident occurred. Her children were uninjured.

NATIONAL ORGANIZER C.G.F. TO SPEAK

E. J. Garland, C.G.F. national organizer, will address a public meeting to be held in the Orange Hall, Abbotsford at 8:30 p.m. on Tuesday, October 4. His topic will be "Whither Canada?"

PRESENTATION TO MR. THOS. W. HALL

The bus drivers of the M.S.A. area met at the home of Mr. and Mrs. W. Gilborg on Tuesday evening, September 20, and presented Mr. T. W. Hall with a set of military brushes. Mr. F. Sandberg officiating. Mr. Hall expressed appreciation of the co-operation he had received from the drivers. Supper, terminating a pleasant evening, was served by Mesdames Gilborg, Conroy and Sandberg.

ANOTHER DIRECT ROUTE BETWEEN VYE ROAD AND HIGHWAY

Extension of McDermott road from the Campbell road to the Trans-Canada highway, now under construction, will provide a convenient route across Sumas Prairie district. Works department of Sumas municipality is taking advantage of the continued dry weather to put in the fill for this extension now and it will be completed later. Bridging the gap between the present terminus of the McDermott road where it intersects the Campbell road will provide a direct connection across the Prairie to the Vye road.

Mrs. Leydon Wood of Victoria was guest of Reeve and Mrs. Alex. Hougou during the past week. Mrs. Wood also visited with Mrs. Mary Hougou of Matsqui.

Pioneer of Mt. Lehman Celebrates Her 101st Birthday Anniversary

Congratulations are being received today by Mrs. Anna Taylor, pioneer resident of Mt. Lehman, who is celebrating the 101st anniversary of her birthday.

Mrs. Taylor was born in Port Midway, Lunenburg, Nova Scotia, on Sept. 28, 1837. She has lived all her life in Canada and the past two score years in Mt. Lehman, of which district she was one of the earliest settlers.

In comparatively good health in spite of her great age, Mrs. Taylor still partakes of her meals with the rest of her family and enjoys the company of her "children", grandchildren and great-grandchildren. Questioned as to her opinion of the younger generation of today, she candidly states they are as good as young people were when she was young, but no better. There is perhaps one modern trend Mrs. Taylor

is not in agreement with and that is cigarette smoking among women.

Mrs. Taylor's three sons, John, Edward and Herbert Taylor, and her grandsons, Gordon and Harry Taylor, live on their farms in Mt. Lehman. Her great-grandchildren are Jimmie and Douglas Taylor, Mt. Lehman, sons of Gordon Taylor, and Gordon Bretelle, son of Mrs. T. Bretelle, a granddaughter who resides in Olympia, Washington. Mr. Taylor died in 1911.

Last year, when Mrs. Taylor attained the century mark, Reeve G. Cruickshank and members of the Matsqui municipal council and staff presented her with a large cake decorated with 100 candles, and a bouquet. This year, fearing the excitement created by a delegation might not be wise, the council is forwarding a letter of congratulation on her attainment of another birthday.

C. V. Fair Prize Money Bills Paid

Prize money awarded at the Central Fraser Valley Fair held at Abbotsford on Sept. 13 & 14, together with all accounts received in connection with staging the annual exhibition were paid in full by Saturday. As a result, the management is in receipt of numerous compliments. An exhibitor who showed at five fairs this season wrote in appreciation of the prompt payment, and stated the C.F.V. Fair money was the first received.

PIONEERS' DANCE

The Sumas Executive of the Matsqui, Sumas, Abbotsford Pioneers' Association met at the home of Mrs. M. B. MacAdam to discuss arrangements for a gathering of old timers and their friends. It was decided to hold a dance, either on October 13 or 14, the date to suit the old-time orchestra they wish to engage.

BIGGEST SPUD?

Largest potato brought to the A. S. & M. News office since that grown by Mr. G. Perley of Abbotsford was held up as a challenge at 2 1/2 pounds, is one weighing 2 pounds 6 ounces grown by Mr. B. G. Sanborn, old Clayburn road, Matsqui. Dimensions of this large "spud" are 2 1/4 and 2 3/4 inches by 10 1/2 inches. In the Chilliwack "contest" The Progress reports the largest brought in so far as weighing 2 pounds 13 1/2 ounces.

POSSESSION OF STILL DRAWS JAIL TERM

Charged under the Exolse Act with possession of a still, on information laid by Const. Watson of the R.C.M.P., Abbotsford detachment, George Gagnon of Matsqui was sentenced to three months in Oakalla jail. Gagnon's place was on the Fraser river dyke near Mission bridge.

HONEY YIELD IS ONE-FIFTH LARGER DUE TO DRY HARVEST

The harvesting of the honey crop, a bountiful one in B.C. this year, is now about over. W. A. Finlay of Huntingdon, provincial apiarist, estimates that the crop will be 20 per cent, above normal, to total about 1,500,000 pounds, as against 1,250,000 pounds last year.

Prices are holding firm at a base retail price of 20 cents a pound. The industry is trying to stabilize this price through both good and bad seasons.

Three Additional Teachers To Be Named

Mr. H. McArthur, director of education for the M.S.A. Area, left for Victoria last night to attend a meeting of the Appointments Board which will name three additional teachers required on the M.S.A. staff. Enlarged enrolment, with still more pupils arriving at the schools daily, has made the additions to the staff necessary, Mr. McArthur states.

DRAINAGE PIPE BEING LAID TO ELIMINATE DITCH

Elimination of a dangerous ditch alongside the Trans-Canada highway, under way this week, is also providing a great improvement to the residential extension of Abbotsford in Sumas municipality just east of town. The provincial public works department is providing a large size of heavy wood pipe which is being placed in the existing ditch, enabling the deep trench to be filled to boulevard level by a Sumas relief crew. The work is being supervised by the provincial department. It is understood Abbotsford village is negotiating to have the pipe continued along the portion of the ditch within the village and have this ditch filled in also.

Percy H. Wilson has completed 25 years as police magistrate at Chilliwack. Court is called daily.

NIGHT SCHOOL OPENING IS DEFERRED

Mr. E. W. Burton, principal of Philip Sheffield high school, and in charge of the M.S.A. Area night school classes, informed The News last night that it had become necessary to defer the opening of the night school courses for at least a week. It had been planned to have the classes commence on Oct. 3. Announcement regarding the courses and commencement dates will be made, he said, in the next issue of The News.

W. I. Names Convention Delegate

An interesting meeting of Huntingdon Women's Institute was held at the home of Mrs. C. Courman on Thursday. Mrs. H. Betelestone, president, gave an account of the Provincial W.I. Conference and asked the members opinions on change of date for annual meetings and per capita fees. The ladies were in favor of retaining the January date, but approved the change to a 30 cent per capita fee to cover all expenses of conferences.

Mrs. W. Sterry was appointed delegate to the South Fraser District Convention at White Rock in October.

A tea, with apron and cooking sale, will be held October 26 at the home of Mrs. T. Harris, proceeds to be divided between the W.I. and the local Welfare Fund.

The secretary was instructed to pay bills for flowers and to send a donation of \$5 to the Central Fraser Valley Fair Association, also to pay for the material for a quilt which is to be made shortly. The wool, carding and inner lining have been donated by Mesdames A. Smyth, W. J. Fraser and A. W. Finlay respectively.

Mr. T. Harris, Canadian immigration officer, gave an interesting talk on life in the Argentine Republic.

1939 MEETING OF U.B.C.M. TO BE HELD IN FRASER VALLEY

Reeve J. B. Leyland of West Vancouver was elected president of the Union of B.C. Municipalities at the annual convention held at Nelson.

Mayor G. C. Miller of Vancouver was named vice-president; Mayor O. L. Jones of Kelowna second vice-president; R. R. F. Sewell, Saanich, secretary-treasurer and H. J. Sullivan, K.C., solicitor.

The 1939 meeting will be held at Harrison Hot Springs.

The incoming executive will also appoint committees to deal with the British Columbia government on blind and to go into the question of co-operative insurance for municipal matters, to assist the municipalities, school boards and hos-

Two P. R. C. Assistants Appointed

When Provincial Recreation centres resume their gymnasium activities in the M.S.A. educational area for the current winter, Inspector Tommy Ruben will have two new assistants to replace Alger Wickstrom, who has been transferred to Vancouver Island, according to Ian Eisenhardt, director, who announced the appointments today.

Both Mary Lamb and Russell Phillips, the new appointees, come from Vancouver's great Templeton Centre, both are comparatively young, yet both are well versed in the various gymnastic activities taught free to the public at these province-wide Recreation Centres.

In addition to being "gym" enthusiasts, both are very keen on games and team sports, in particular track and field.

ACTIVITIES BEGIN

Jubilee will open the PRC season in this area with a corn roast and barn dance to be held at Jubilee Community Hall.

Mr. Ruben will address an organization meeting at Bradner on Monday, Oct. 3, and on Friday, Oct. 7, an organization meeting and local display at Haney.

Activities commence at Mt. Lehman, under auspices of the Athletic Association, on Saturday, Oct. 8, with an Amateurs' Night program. The Whonnock-Ruskin group will organize and hold a work-out on Oct. 11.

At Mission, enthusiasts impatiently await opening of the new gym which is nearing completion. Incidentally, Principal Frank Wilson plans Adult Education courses there similar to those in the M.S.A. Area.

P.R.C. PROMOTION

Extent of the work carried out in the Fraser Valley area during the past year has been described by Mr. Ruben before various public bodies, including Abbotsford Ratepayers' Association and the Abbotsford & District Board of Trade. More than 6,000 men and women had participated in Lower Fraser district last season, he stated, 43 classes a week. In the Maple Ridge area, the Junior Board of Trade was sponsoring the movement and instead of one centre, as last year, there would likely be five this season. He suggested a sponsor would assist the work in the M.S.A. Area. The work was designed to improve the general standard and build health in the individuals not necessarily create athletes.

INFORMANT ASSESSED

A charge of reckless driving laid against Samuel Brown of Vancouver as a result of an accident on the Mt. Lehman road on August 24 was dismissed in Matsqui police court last week and costs assessed against the informant, Thos. Bottrell, also of Vancouver, when the latter failed to appear.

Items of Interest In & Around Abbotsford

Miss Isabelle Mathers of Abbotsford left on Tuesday night for Swan Lake, Peace River district. B.C. Miss Mathers has been appointed to the staff of the superior school at Swan Lake, which is included in an educational system similar to the M.S.A. area.

Young People of Westminster Pentecostal church took charge of the Y.P. service at the Abbotsford Pentecostal church on Friday. There were 20 visitors.

Harvest festival services will be held at Abbotsford Pentecostal church Sunday. Prof. Collins of Vancouver will provide special violin music at Abbotsford morning and evening, and at Gifford school at 2:30 p.m.

Miss Julia Zalesky entertained a number of young people Friday evening in honor of Miss Isabelle Mathers, who has since left for Swan Lake. The guests included: Misses Isabelle Mathers, Mary Webb, Mae Mayne, Jean Edwards, Marion Buchanan, Lila Corbett, Vivian Mercer, Stella Oliver; Messrs. I. Corbett, J. Watson, Les Barker, K. Parnell, Bob Conway, Martin Edwards, Gerald Amos, Ray Pattenden.

A bicycle stolen from George Higginson, Old Yale road, was recovered at Mission, the thief apparently becoming alarmed by the intensive search for the bike by provincial police.

Mr. M. M. Shore is convalescing after undergoing an operation in M.S.A. General hospital.

Mr. and Mrs. Charles L. Thompson of Victoria and Mr. and Mrs. Len McLennan of Vancouver were visitors at the home of Mr. and Mrs. Lang Sands on Sunday.

Mr. J. S. Daly attended the annual convention of Sunset Hardware Dealers held in Vancouver on Monday and Tuesday.

Under auspices of the Educational Office it has been arranged to have the popular Vancouver Norwegian Choir give a recital in Abbotsford on October 22. This choir will be heard over CBR on October 7. It comprises 35 voices.

Born.—To Mr. and Mrs. E. Inglis of Mt. Lehman at the M.S.A. Hospital on September 24, a son.

Provincial Highway Patrolman Murphy has returned to duty after two weeks vacation.

Mr. and Mrs. George A. Black of New Westminster announce the engagement of their only daughter, Helen (Ella) to Mr. William Wendell McRae, second son of Mrs. McRae and the late W. S. McRae of Vancouver. The wedding will take place on October 19. Miss Black is a sister of Mr. George Black of Abbotsford.

Harvest thanksgiving services at St. Matthews church are announced by Rev. F. S. Henderson for Sunday, October 2, as follows: 8 a.m.—Early Communion; 11 a.m.—Special Thanksgiving service, Matins and Choral Communion; 7:30 p.m.—Festal Evensong.

Sir Edward Beatty Becomes Freeman of Cranbrook

When Sir Edward Beatty, G.B.E., K.C., LL.D., chairman and president of the Canadian Pacific Railway, attended Cranbrook's Pioneer Reunion, Friday, September 9, he received the freedom of the city and heard himself extolled as an outstanding Canadian and head of the company which 40 years ago forged the Crows' Nest Pass link

of its great railway system into the rich Kootenay country. Sir Edward is seen receiving a silver tray commemorating the occasion, from Mayor T. M. Roberts. On Sir Edward's left is Judge G. H. Thompson who swore him in as a freeman of the bustling East Kootenay city. Ross H. McMaster, of Montreal, director of the Canadian Pacific Railway, is at the ex-

treme left of the picture. This, the third ceremony of its kind in which Sir Edward has participated, Saint John and Vancouver having previously conferred the freedom of their cities, was a joint tribute to Sir Edward and to the pioneers of the road, many of whom were present to see the brilliant ceremony and to hear their own work of four decades ago praised.

Fore-Warned Should Mean Fore-Armed

It seemed a far cry on Monday from the Peaceful Fraser Valley with its industrious citizenry engaged in harvesting tobacco and clover, grapes and root crops, to the scene of ranting and raving and regimented subjects heard so vividly over the airwaves when Hitler railed to his bamboozled people.

The terms he laid down to the neighboring Czech nation—designed to cripple the country morally, economically and industrially, were the terms Germany expected but did not suffer at the hands of the world it had so terribly wronged in 1914-18. Because nations enjoying the peaceful, free life which the Fraser Valley typifies, say "no, you cannot work such a wrong on an innocent people," Hitler described them as "lying democracies." Because the Czechs do not meekly abase themselves this power-crazed dictator thunders "then we shall take—we have the mightiest military machine in the world."

In view of the Hitler-Mussolini aggression pact so clearly defined Monday, Canada's government will awaken and provide every Canadian with the tools of defense he has a right to expect when confronted with such lustful, lethal-armed neighbors just a day or two distant across the seas. Every centre like Abbotsford should have competent men to train citizens in modern defense and an adequate supply of modern equipment so that men may accustom themselves to its use when dictators run amuck.

Necessary to Reduce Every Cost Factor In Crop Production

Prices of farm produce are being more and more controlled by world demand with keen competition tending towards lower prices. so that it is more necessary than ever to reduce every factor in the cost of producing farm crops to the lowest possible point, states H. D. Mitchell, Field Husbandry Division, Central Experimental Farm, Ottawa.

Among the most effective means of attaining this end are: (1) Production of heavier yields per acre through the use of the best quality seed of the varieties best suited to the locality, thorough cultivation and drainage, suitable rotations, and continuous control of weeds, insects, and plant diseases. Increased yields mean a reduced cost per bushel or ton of crop with only a slight increase in the cost of production per acre. (2) the use of modern, labour-saving farm equipment results in lower costs because of the saving in manual and horse labor. It also means the performance of more work per day, and at the proper time. (3) increased size of farm or land area cultivated, is an other important means. Within certain limits, the overhead in buildings and equipment does not vary greatly on average sized farms. Therefore, an increase in the cultivated acreage to the capacity of the existing farm organization will result in a reduced cost of production per acre.

The farming system adopted should include only crops which conflict the least with each other in labour requirements, yet should be sufficiently diversified to utilize economically all the manual and horse labor on the farm.

Let's All Celebrate

This is National Dog Week, a mighty good time for all of us to stop growling, whining and snarling about conditions.

If The Shoe Pinches

Thousands didn't vote at the primary elections. They might just as well move to Italy, Germany or Russia. They wouldn't have to bother to vote their, either.—(Lynden Tribune).

Farm Section...Local and Provincial Developments**Dominions As Great Powers**

(The Monitor, Boston)

The difficulty of finding a home for Germany's refugees and those now to be expelled from Italy has again brought up the question of the vast unpeopled spaces of the British Empire. Canada, surely, has the natural resources as well as the territory to accommodate a population greater even than that of Britain. So has Australia. Even New Zealand might well have a population at least ten times what it is now. In South Africa, the black inhabitants have special claims, but there is room for a great increase in the white population.

The Dominions are destined to assume the position of major powers with populations more nearly proportionate to their territorial size. But such an expansion in the far parts of the British Empire cannot occur so long as the Dominions depend mainly on pastoral and agricultural industries. They must also develop great manufacturing industries of their own. A member of the British Government, who was till recently Secretary of State for the Dominions, Mr. Malcolm MacDonald, is well aware of this. He sees the Dominions as major powers taking their part alongside Britain in the affairs of the world.

Recently he made a speech to the Manchester Chamber of Commerce in which he said it was inevitable and desirable that there should be growing industrial as well as agricultural activity in the Dominions; and he pointed out that the great increase of wealth and consuming power that would follow should, with co-operation, be to the advantage of the home country as well as the Dominions. British industrialists should expect and encourage industrial development overseas, and concentrate on exporting those articles which Britain could most advantageously make, leaving the Dominions to make the rest for themselves. He urged them to lose no time in getting together with industrialists overseas to work out schemes of complementary production.

This is the viewpoint of constructive imperialism. It rests on a conception of a future British Empire consisting of six first-class Powers, with a co-ordinated economy and a common civilization.

WANT DEPUTY

Appointment of a deputy minister of fisheries for British Columbia is sought by the Associated Boards of Trade of the Fraser Valley and Lower Mainland.

More than half of the Canadian chase exported to the British market is handled in London.

SAVE FOR IT FIRST**The Home of Your Dreams**

In your mind's eye you've planned it. You know just what it will look like. Your wife can see before her eyes the decorations of the living room, the "gadgets" in the kitchen. The children are looking forward to it. For this, or other purposes, you will find it will pay to save a definite amount of money regularly.

Go to the nearest Post Office Savings Bank and open an account. Add as much as you can as often as you can. Up to \$1,500.00 accepted in any one year. You will receive 2% Compound interest.

If you should want to use any of your savings you will find that a convenient withdrawal service is provided, but aim if at all possible to preserve your deposit for the purpose for which it was originally intended. Cultivate the habit of thrift.

ALL BRANCHES OF POST OFFICE SAVINGS BANK ARE OPEN DURING POST OFFICE HOURS

Many Buyers, But Prices Are Low at Market

Prices were generally unchanged at the Fraser Valley Market, with some produce even cheaper than the previous week. Tomatoes could be had at 30 pounds for 50c New Gem potatoes sold at 18 pounds for 25c. More than a ton of apples were on display at from 75c to 90c a box.

Egg prices were steady at 30c to producer for Grade A large, 27c for medium and 22c for pullets. Retail prices averaged 36c for grade A large 34c for medium and 28c for pullets.

New arrivals included quince at 6 pounds for 25c. Grapes were cheaper at three pounds for 25c. Corn was down to 10c a dozen. There was a big supply of good local cauliflowers, 5c a head and even a two heads for 5c.

There was an exceptionally large attendance and heavy buying to take advantage of the low prices.

LYTTON BUYER ACQUIRES TWO HUNT FILLIES

Rev. A. R. Lett of the Indian School at Lytton, and president of the B.C. Branch of the Holstein-Friesian Association of Canada, purchased two nice prize-winning fillies from Dan Hunt of Abbotsford at the Chilliwack Fair last week. Rev. Mr. Lett's purchases were a two-year-old, first prize and a one-year-old, second prize, full sisters and sired by Pacific Footprint. They will be mated by the two-year-old stallion, Seaview Radiance.

GERMAN FARMERS MUST GIVE HALF THEIR CROP TO HITLER

The German farmer is not allowed to hoard wealth, a bare living is all that is vouchsafed him. The feeding of oat and wheat grain to livestock is verboten, and half must be turned over to a government agency at a price fixed according to locality and the needs of the consuming centre. Rye, and to a limited extent, barley, may be used for feed on the farm. The import of concentrates is restricted, and few farmers can avail themselves of these supplementary feeds. Consequently the feed problem is acute, and the circumstances account for the scarcity of fats in the form of butter, cream, etc. No good grain is available for poultry feed this year, and a ground meal of inferior quality has had to be substituted.

HORSEMEN FROM ABBOTSFORD WIN AT REGIONAL FAIR

Wallace Bros. of Aldergrove won first among five entries in the four-horse team class at Chilliwack Fair last week. They also took first place among four entries in the heavy draught two-horse class and second among seven entries in agricultural two-horse under 1500 lbs.

John Hunt and Hugh Hunt, sons of Dan Hunt, Abbotsford, won first and third places among five in the junior groom class in which entrants had to decorate their own horses.

BIG INCREASE IN BACON, HAM EXPORTS

British statistics for 1937 show that bacon imports from Canada, the largest Empire supplier, expanded by 27 per cent to 1,387,000 cwt. and comprised 20 per cent of the total bacon imported into the United Kingdom. The statistics also show that in 1937 Canada displaced the United States as the world's chief source of imported hams to the British market, sending 314,600 cwt. compared with 277,700 cwt. in 1936, an increase of 13 per cent.

CHOOSE CANADIAN TO JUDGE POULTRY IN HAWAIIAN ISLANDS

At the invitation of the Directors the Maui Fair, one of the principal agricultural fairs held in the Hawaiian Islands, George Robertson, Acting Dominion Poultry Husbandman, Central Experimental Farm, Ottawa, will be the judge of the large poultry exhibits at that fair on October 13 to 15. He will also judge poultry at fairs to be held in adjacent islands of the Hawaiian group.

24-HOUR SERVICE

PLOUGHMEN TO MEET IN ANNUAL CONTEST

The 1938 annual four-day international ploughing match, horse show, and demonstration of farm machinery and latest contrivances for the home, under the auspices of the Ontario Ploughmen's Association, will be held at Minesing, Ontario, October 11 to 14, inclusive.

Minesing is in the heart of the picturesque Simcoe county, 14 miles west of Barrie. Celebrating its 25th or silver anniversary, this annual movable Mecca of the ploughmen of North America has grown to such extent and importance that emphasis is now being laid on the fact that it is open to the ploughworld.

DRESSED POULTRY

Dressed poultry supplies from Canada to the British market in 1937, owing to heavier consignments of chickens, rose by 73 per cent. Imports from Empire sources increased 11 per cent.

RADIO GONE PHOOEY?

Just sort of gather 'round and pour forth your radio woes. Whattamatter with your present radio, anyway? Troubled with "gate-crasher" stations? Tune 'em out with a 1939 model. Umpteen stations at once? 1939 radios won't allow it. Radio giving you the works? Then it's time for a new one!

PULL UP A CHAIR AND LET'S TALK THESE WONDERFUL NEW SETS OVER!

Now here are five famous makes that really have something... in fact, they have everything. NORTHERN ELECTRIC, ROGERS, PHILCO, GENERAL ELECTRIC, and STROMBERG-CARLSON are leading names in the radio world. Contrary to the old adage, there's a lot in a name. You can tie to any one of these five with perfect safety! The amazing improvements... such as keyboard touch tuning... embodied in these models will probably make your head spin... but it's worth it to see the cleverest jobs ever turned out. Come in and be converted.

Get the Answer at once by long-distance telephone

Most people would rather talk than write. That's why so many business men prefer the long-distance telephone to an exchange of letters.

Another advantage of the long-distance telephone is its speed. When information is wanted from a far-away point, you can ask questions and get your answers right away.

This is of supreme importance to the man who realizes the value of speed in business. Waiting for an exchange of letters may be too late, so he telephones today.

SEASONAL RECIPES

—for—
TOMATOES and PEACHES

In view of the plentiful supply of tomatoes, the following recipes for the home canning of this fruit may prove useful.

Pickled Whole Tomatoes
1 peck small green tomatoes
1 quart boiling water
¾ cup pickling salt
1 quart vinegar
3 pounds brown sugar
¼ teaspoon cayenne pepper
1 teaspoon cinnamon
1 teaspoon mixed spice
1 teaspoon celery seed
10 whole cloves

Dissolve salt in boiling water. Put in a few tomatoes at a time and boil for 12 minutes. Remove each tomato carefully with a wooden spoon to prevent spoiling shape. Drain thoroughly and pack in jars. Tie spices in muslin bag, put into vinegar, add sugar and boil until thickened. Remove spice bag, pour liquid over tomatoes, filling jars full and seal tightly.

Tomato Catsup
10 pounds tomatoes
¼ lb. salt
¾ ounce whole cloves
¾ ounce whole pepper corns
One seventh quart vinegar
¾ pound sugar
1 ounce allspice
¼ ounce cayenne

Slice tomatoes until soft and then make puree by brushing through a fine sieve. Tie all the spices loosely in a muslin bag. Boil until quite thick, preferably using an enamelled vessel. Bottle and seal hot.

Tomato Cocktail (No. 1)
18 ripe tomatoes
1 chopped celery
½ cup chopped onions
2 tablespoons vinegar
3 sweet green peppers
1 sweet red pepper
2 tablespoons salt
¼ cup sugar

Mash and cut tomatoes but do not peel. Chop the peppers finely. Mix tomatoes, celery, onions, peppers and salt together. Boil for one half-hour. Strain through coarse sieve. Add the vinegar and sugar. Boil three minutes. Seal in sterilized jars.

Tomato Cocktail (No. 2)
1 bushel tomatoes
1 small head celery
½ teaspoon white pepper
¼ cup vinegar
1 cup chopped onions
4 teaspoons salt
Boil all together for 20 minutes. Strain and boil 5 minutes. Bottle and seal.

The additional recipes given below will be found useful in preparing a supply of peach delicacies that may be used during the winter months:

Peach and Tomato Chutney
½ peck peaches
1 quart small white onions, put through food chopper
1 tablespoonful ground mace
1 tablespoonful cloves
1 tablespoonful cinnamon
½ peck tomatoes
½ oz. paprika
½ oz. black pepper
2 cups brown sugar
3 cups cider vinegar
Mix well. Let stand overnight. In the morning cook slowly, stirring frequently until it is of the right consistency.

Sweet Pickled Peaches
½ peck peaches
2 lbs. brown sugar
1 pint vinegar
Whole cloves
Boil sugar, vinegar and cinnamon 20 minutes. Dip peaches quickly in boiling water, then rub off the fur with a towel. Stick each peach with 4 cloves. Put into syrup and cook until soft, using half the peaches at a time.

Peach, Carrot and Apple Conserve
1 cup peaches
1 pint diced tart apples
1 pint diced carrots
3 cups sugar
Juice of 1 lemon
Mix the ingredients and simmer them until the mixture is clear. Turn into jelly glasses, and when cold cover with hot paraffin wax.

THE LIBRARY CORNER

The following books, which are briefly reviewed, have recently been added to the collection of the Fraser Valley Union Library.

Coming Victory of Democracy—Thomas Mann. An intellectual and moral defence of democracy, as opposed to fascism. It is the lecture which in slightly shorter form was delivered by the brilliant German author on his tour of America, February to May, 1938.

What Are We To Do?—John Strachey. An interpretative study of the labor movement in England and America. The author believes that labor has the power to promote peace, that America's coming labor party should profit by the mistakes made in England and Europe, that compromises have weakened British labor, and that labor must assert itself and struggle for socialistic power or be destroyed. An important and controversial book.

Science for the Citizen—Lancelot Hogben. A popular textbook dealing with the major branches of science; but unlike most textbooks it is so brilliantly written that it makes exciting reading.

Mast & Kung: the Story of Confucius—Carl Crow. Regretting that the long defecation of Confucius has dehumanized the seer, the author, in this popular biography, has shown him as a great man living an active life in the feudal society of his time.

Down to the Sea—George Blake. In part biography and autobiography, in part anecdote and history. This is a story of Clydeside, the ships that were built there, and the men who built them from the days of the Comet (early 1800's) to the launching of the Queen Mary.

R. B. C.

TO ENTER FESTIVAL

Plans were made to compete in the Drama Festival at Cloverdale in November at a meeting of the Community Theatre, held at the home of the president, Miss Vera Hunt, last week. It is also proposed to stage locally four one-act plays. There were 25 members present.

HEAD A.Y.P.A.

Officers elected at the first meeting this fall of the Anglo-Young People's Association were: President Douglas Shallard; vice-president, Jean Edwards; secretary-treasurer, Frances Irvine. Young men of the A.Y.P.A. are doing the work on a kitchen being added to St. Matthew's parish hall. The roof is also being reshingled and it is hoped to redecorate the interior.

PRODUCE DUMPING

Editor, A. S. M. News, Dear Sir:

Farmers and Producers are getting desperate at the indifference of authorities at Ottawa and Victoria to their troubles. Constant appeals for aid from an intolerable situation receive either a curt refusal or a shifting of the responsibility from one department to another or from Federal to Provincial governments. Dumping of produce across the 3000 miles of undefended border line between Canada and the United States is becoming more and more common. Cheap produce for which there is no sale in the United States, sold at prices so far below that of cost of production in Canada, the unscrupulous concerns in Canada can use them to undersell good Canadian produce and still make a much larger profit than from handling our own produce. Constant appeals for dump duties on tomatoes bring no response.

Evidence enough to incarcerate a poor man for life receives a curt refusal from Ottawa for an investigation and the robbery goes on. Yes, a racket. Hundreds of thousands of dollars milked from the Primary Producers. Big interests apparently being immune from being called to task. How long are the wolves going to fatten on the sheep. Reports in the Vancouver press on Saturday emanating from W. L. Dence were true, all too true, but at that the greater part of what Mr. Dence told the reporters was omitted. Groups of producers becoming indebted to brokers have a club held over their heads, and follow instructions—or else. Growers threatened that unless they toe the mark their products will be boycotted. Out of it all the one unconsidered man is the Primary Producer.

The Primary Producer is the one and sole instance of the "Manufacturer" for he stands in reference to his perishable product, in the same category as the manufacturer

JUBILEE

Mrs. and Mrs. A. Matheson and daughter, who have spent the past year at Jubilee and White Rock have moved to their home on Horstead road in West Langley.

Mr. Mott, who was badly injured in a motor accident some weeks ago, has returned home after receiving treatment in the Royal Columbian hospital.

Mr. Lloyd Gustavson had as his guests over the week-end, his mother, Mrs. A. Gustavson and brother-in-law and sister, Mr. and Mrs. A. Anderson of Arlington, Wash.

The Girls' Energetic Club held their meeting in the hall on Saturday afternoon and made arrangements for the dance next Saturday night.

Miss Eda Evanoff has returned home after visiting friends in Silverdale for the past week.

to his manufactured product, who has his product offered to be sold to the consumer without any notice ever being taken of the "manufacturing cost".

Under the sponsorship of the Langley Farmers' Institute, a public meeting has been organized for Wednesday, October 5 in Langley Prairie Athletic Hall. Delegates will be present from Vancouver Island, from the interior of the province and the whole of the Fraser Valley. All branches of primary products will be represented at what will be probably the most widely attended producers meeting ever held in the province.

The object of this meeting will be to demand of the Dominion Government an investigation into the alleged combine, and to clear out the slime and dirt which exists in marketing circles. A second objective will be to see that the producer is assured of amended marketing schemes to meet present day needs, and rectify the errors in existing schemes. All bus owners are asked to organize their routes on this evening to carry the people of their district to and from this meeting.

W. LAWRENCE DENCE, R.R. 1, Milner, B.C.
President, Vancouver Hothouse Tomato Growers Co-operative Association

OFFICERS ELECTED BY SOCCER CLUB; PLAN LOCAL LEAGUE

The Abbotsford Football Club held their annual meeting in the Men's Club hall on Thursday, September 22. J. W. Watson, former president of the junior club, was elected president; T. Ruben, vice-president; H. Thomas was re-elected secretary-treasurer, and A. Hulton-Harrop was unanimously elected honorary president.

It was decided by the meeting not to canvass the local merchants for funds, as in other years, but to find other means to raise finances, although donations will be gratefully received by the club.

The meeting also felt that the club was not financially strong enough to enter competition in the Vancouver leagues, and instructed the secretary to write former members of the old Fraser Valley league to try and re-organize same, at a meeting on September 29, at 8 p.m. in the Canadian Legion rooms.

A delegation was also selected to wait on the Abbotsford commissioners and request improvement in the condition of the football field.

This year would be a great year to develop football talent, judging by the turn-out of young soccer enthusiasts on Jubilee grounds on Sunday.

PRIZEWINNER

Prizes secured at the Chilliwack Fair last week by Dan Hunt, well-known Abbotsford horseman, included: first, grand champion and gold medal for yearling stallion; first for two-year-old filly, first and second for yearling fillies, third for 1938 foal, second for best group, three animals sired by registered stallion, and second for progeny of dam. Mr. Hunt also won first and second prizes for his entries of wheat and third for oats. His two sons, John and Hugh, were prizewinners for showmanship.

BRADNER

In a boxla game between Bradner Ferns and Chilliwack to decide which team should play for the championship, Bradner won, 14-5. One of the players, Colin Carmichael sustained a broken wrist and Mervyn Clark hurt his arm.

Stanley Emerson met with a curious accident on Monday. The lad, who is a pupil at Bradner school, was sewing a baseball when the thread broke. His arm slipped and and needle pierced his eye. There appears to be no danger of the boy losing his sight.

Harvest Thanksgiving services were held at St. Margaret's church on Sunday, Sept. 18. Rev. F. S. Henderson preached. The church was beautifully decorated with flowers, fruit and vegetables, later turned over to the M.S.A. hospital. After the service, a church managers' meeting was held in the vestry.

The library van will be in Bradner on Thursday at 10.35 a.m.

Master Arthur Hansen spent the week-end at North Vancouver, the guest of Mr. and Mrs. J. Jensen.

Miss Ellen Owen has left for Prince Rupert, where she will spend the winter months as guest of Rev. H. G. and Mrs. Funston.

Mr. and Mrs. G. Smith and family of Vancouver and their guest, Cadet D. Knowls of M.S. Pacific Enterprise of London, England, were guests of Mr. and Mrs. R. J. Nicholson on Sunday last.

Mr. and Mrs. Douglas Newsom of Sandwick, V.I. were guests of Mrs. Newsom's mother, Mrs. E. T. Owen for a few days recently.

Mr. James A. Carmichael was a guest of Mr. and Mrs. B. Adams in Vancouver for a few days.

MATSQUI PROPOSAL ON EDUCATION COSTS ADOPTED BY U.B.C.M.

The Union of British Columbia Municipalities convention at Nelson on Thursday urged the Provincial Government to take over the entire burden of current educational costs with the understanding municipalities would continue to provide necessary school accommodation, and that local school boards continue to function as heretofore with adequate Provincial Government representation.

The resolution arose from recommendations from Kelowna, Surrey, Langley and Matsqui.

The resolution from Okanagan Valley and Salmon Arm, asking for a reduction of pension age limit to 65 years instead of 70, was adopted, as was a resolution from Pitt Meadows and the Union of Kootenay Municipalities for the restoration of the seven cents per gallon refund on gasoline tax on fuel used for municipal equipment in road-building operations.
